

Finding a Program: Map Search

1. Go to abroad.mines.edu

The screenshot shows the homepage of the TerraDotta application system. At the top, there is a navigation bar with links for HOME, PROGRAMS, STAFF, and DEADLINES. Below this, there is a user login area with links for Logout, Applicant Home, and Admin Home, and the text "User: Amy Goldstein". On the left side, there is an ANNOUNCEMENTS section with the text "There are no announcements" and a "View All" link. The main content area features a welcome message: "Welcome to TerraDotta, our brand new application system! We hope this only application will make studying abroad easier than ever!" followed by the instruction "To find the perfect program for you, click on the green button below." A large green button with the text "Find my program!" is centered on the page. In the bottom right corner, there is the TerraDotta logo, which consists of a colorful geometric shape and the text "TERRADOTTA [POWERED BY]".

2. Click the big green button

This screenshot is identical to the one above, but with a red circle drawn around the green "Find my program!" button to highlight it. The rest of the page content, including the navigation bar, user login area, announcements, and welcome message, remains the same.

3. Explore your options by clicking the different continents (note: this feature does not work with Internet Explorer. If you are using Internet Explorer, click one of the other search options such as “Simple Search” or “Advanced Search”)

Map Search

A world map where continents are shaded in various shades of brown and tan. To the left of the map are three circular navigation icons: a home icon (house), a plus sign for zooming in, and a minus sign for zooming out. The map is credited to 'JS map by amCharts' in the bottom left corner. A small logo is visible in the bottom right corner of the map area.

- Once you have clicked a continent, the map should zoom in to different countries. Click a country you are interested in.

The image shows a web interface for a 'Map Search' tool. At the top, there is a blue header with the text 'Programs : Map Search' and a 'Hide Tips' button. Below this is a white box containing a red question mark icon and a tip: 'To find a program using this map search tool, first click on the continent and then click on the country that you would view. You can go to the brochure pages of the programs by clicking on the name of the program when it is displayed.' Underneath the tip are several navigation buttons: 'List All', 'Simple Search', 'Advanced Search', 'Featured Programs', 'Course Search', and 'Map Search'. The main content area is titled 'Map Search' and features a map of Europe. The map is zoomed in to show individual countries, with some countries highlighted in a darker shade of gray. On the left side of the map, there are three circular navigation icons: a home icon, a plus sign for zooming in, and a minus sign for zooming out. At the bottom left of the map area, the text 'JS map by amCharts' is visible.

- Once you have clicked a country, the map should zoom in farther. Click on either the black dot within the country or the titles of the schools on the right of the screen.

Program Description:

The University of Oviedo is one of the oldest universities in Spain. It started its teaching activity 400 years ago, in 1608. Throughout its history, the University has gone through different stages, being especially relevant the period going from the end of the 19th century to the beginning of the 20th century, when University outreach was born, and the University of Oviedo was consolidated as one of the best universities in Spain. In the last few decades, the University has gone through its most important changes, which implied an increase of degrees, faculty and research activities, which place our university among the top universities in Spain.

7. If you do not like this method of searching for schools, you have other options. For different search methods, click “Simple Search” or “Advanced Search.” To search for specific courses, click “Course Search.”
