Enjoy POSTECH

Sunrise Festival Opening
Every spring, the POSTECH Student Union hosts the Sunrise Festival, where all POSTECHians can enjoy various activities and performances. International students will be invited to host the I-Pub and introduce cuisines from their respective home countries to students.

POSTECH/KAIST Science War Fall
POSTECH & KAIST Students Grand Festival, so called ‘Science War’, is held every September. The Science War consists of exciting and artificial intelligence competitions—campus quiz, breakdance, basketball, musical, science quiz, and more. International exchange students are always welcome to be representatives of POSTECH or to sit the war!

Student Clubs
Almost any kind of student clubs appealing for arts, music, sports, academia, religion, and other hobbies, joining a student club will be helpful in making new friends, so please contact us if you want to join a club before arriving at POSTECH.

Global Partnership Exchange Scholarship (GPES)
GPES allows international exchange students to participate in various extracurricular and intercultural activities and community learning programs while staying in Korea as a POSTECH student. International exchange students who have excellent academic background and leadership qualities will be invited to the scholarship program. If you are interested, please contact the academy coordinator at your home university.

International Student and Scholar Services (ISSS)
ISSS is dedicated to serving POSTECH’s international community and enhancing globalizaiton of the campus. Its primary mission is to assist all international students in the achievement of their academic and research goals by providing support in various areas including publications, orientation, immigration, and social activities. ISSS will always be available to help international students (from Korea as well as foreign countries) through whatever means necessary.

Guaranteed On-Campus Housing
All exchange students are guaranteed on-campus housing for the duration of their program. Most exchange students will be assigned to either the International Village or the Korean Village. Korean and international students live together to share different cultures and interact with each other. All housing is fully furnished, complete with kitchen appliances and the cost of housing is KRW 100,000 ~ 150,000 per month depending on whether the meal plan has been recently renovated.

Korean Language Programs
The Language Education Center (POSTECH) offers Korean classes at three different levels. "I-PUB" the local POSTECH student publication will be assigned to SDM (Student Development Management) in the International Village or the Korean Village. Some of the main classes offered include: Beginning Korean for International Exchange where Korean and international students live together to share different cultures and interact with each other. All housing is fully furnished, complete with kitchen appliances and the cost of housing is KRW 100,000 ~ 150,000 per month depending on which meal plan has been recently renovated.

Discover Pohang
Pohang is a 260 km stretch of coast, there are seven major beaches (Myeonggagi, Gyeonghae, Haenyeo, Wajeong, Chijubi, Dogoo, and Songja) each with its own distinct charm. The Pohang Canal, a city and environment renewal project completed in 2, is a 1.3 km canal and modern pump evacuation scheme which flows through the city centre, and connects the Hyesan River to the Yeongpohat. Adjacent to the Canal is the bustling Jubang Market, the largest traditional marketplace on the east coast of Korea and one of the most popular destinations in the country for fresh seafood.

Regional culinary delights include the famous Pohang Mulhan (Pohang-style spicy Sake) and the Gyeonghae Goseom (Soy sauce Sake). We welcome you to discover all this and more in Pohang!
